Re: Retransmission Consent Election

Dear Mr. Berlin:

Please be advised Intermountain West Communications Company (formerly Sunbelt Communications Company) invokes its right under Section 325(b) of the Communications Act of 1934, as amended, and 47 C.F.R. section 76.64 of the FCC rules to negotiate with respect to retransmission consent for carriage of its multicast signals on your system. This is for the period beginning May 1, 2011. Please ignore our previous letter dated January 24, 2011 which had an incorrect date.

Please contact the undersigned at your earliest convenience so that we can begin discussions on a mutually beneficial agreement for carriage.

Sincerely,

Doug Hill,
General Counsel
